Subject: RE: Lower Ley Creek

Hi Pam, We are ever closer to finalizing our sampling plans, and will of course have more IDW in the performance of our sampling. We will take care of the whole batch when we complete this next round. The group is scheduled to meet today to finalize field plans and locations, and I would imagine we would be in the field by the end of August, or early September.

Let me know if you have any questions.

Todd

Todd, Please see DEC's email below. Can you give me an answer to their question?

Thanks,
Pam

Subject: Drums on the Town of Salina Landfill

Pam,

I had a site visit on the Town of Salina Landfill last week and noticed that the drums used for sampling on Lower Ley Creek are still there from 2017. Do you know when those drums will be removed?

Thanks

Jacky Luo
